

Alumni Treasurer Note

Since 1987, the Eta Alumni Corporation and Eta Educational Foundation have made a combined solicitation for annual support. The plan directs that the treasurer is to mail requests in December of each year. The intention is to limit the number of requests made for Eta Chapter each year. We hope you choose to respond by supporting either or both worthy organizations this year. Please visit this [link](#) for a solicitation attachment that will be additionally available as a hard copy insert in the upcoming Crescent.

Recruitment

Recruitment at Eta Chapter has a strong reputation of success. That success is primarily due to the support from the alumni we have. The recruitment process has changed here at Eta within recent years. Our current goal is to have most of the Fall Class of 2013 signed by the end of the spring semester. It is crucial that if you have someone that would be an asset to AGR, you send us the contact information of the potential new member now. You may call the incoming VNR of Recruitment, Nolan Hageman, at (563)-380-1103 or email him at nolanh@iastate.edu. He has already began the process of contacting potential recruits. We look forward to another great year of recruitment for Alpha Gamma Rho!

Exec Thanks You

The outgoing executive team would like to express a thank you to alumni and the active chapter for their help in making this year a success. Both Eta active members and alumni were instrumental in achieving our goals and achievements. They look forward to continuing this success with the incoming executive board and wish them the best for 2013. With that, the active chapter would like to wish you and your families a very merry Christmas and a happy New Year!

Founders' Day

Founders' Day will be held March 2, 2013, so we would like to have a strong showing in order to prepare for the following 100 Year Celebration of Eta. The event will be held again at the Alumni Center, with Hickory Park to cater the event. As the schedule is set for the event, we will be sure to give you updates through the Crescent, Newsletter, and Website, so be sure to check those continually. If you have any brothers that you feel should be nominated for any of the four awards including 25 & 50-Year Testimonials, Ag Leadership Award, and Alumni Achievement Award, please call or email me with those nominations so we may start forming our pool of nominees. Please email recommendations to me at dslueken@iastate.edu with a brief reason for nominating that brother.
