Regional Leadership Conference

On February 10th and 11th, the men of Eta Chapter will be traveling to St. Louis to participate in the AGR Annual Leadership Conference. They will be taking part in many leadership and career-based activities. Specific session topics include recruitment, career-building, risk management, and media relations. The Leadership Conference will provide a great opportunity to meet enthusiastic agriculturalists from across the nation!

CALS Update

When I speak with our alumni these days, the most common refrain I hear is: "What a great time to be in agriculture!" The success of ISU's College of Agriculture and Life Sciences (CALs) and the success of the agriculture industry are closely linked. We are proud that our college is considered one of the nation's very best agricultural science and education institutions. And judging from our surging enrollments, the opportunities in the industries we serve have been noticed by prospective students. Our current undergraduate enrollment is 3,584, an increase of 46% since 2005. We've worked hard to grow our enrollment to answer the needs of industry for high-quality graduates. With our placement rate holding at over 98%, even during these tough economic times, we can almost guarantee a bright future for every one of our graduates.

David Acker
CALs Associate Dean

Save the Date

March 3, 2012

Founders' Day 2012 will again take place in Ames, being held at the Alumni Center located near the Iowa State Center on Saturday, March 3, 2012.

Updated Eta Website

Eta Chapter is excited to announce the launch of a new chapter website to increase our web presence! The site is being designed by WebGreeks.com and will be coming together over the next few weeks. A sample mock-up is below and our updated website will be located at www.isuagr.org. Please keep an eye on our website as it continues to develop.
