The Maynard H. Coe Award Returns to Ames

The Maynard H. Coe Chapter Efficiency Award is finally returning to Ames! Eight active members and several alumni attended this year's National AFP Convention in New Orleans, Louisiana. Our chapter brought home ten plaques and certificates signifying the work put in by our chapter's brothers and alumni over the past two years, but one stood above them all in terms of importance and distinction. The Maynard H. Coe Award was presented to Noble Rule, Cale Gent, by Executive Director, Rex Martin, during the Hall of Fame Banquet. This award serves as the highest honor for an AFP Chapter placing Eta Chapter as the top chapter over 71 others across the nation.

A New Tradition with the New Initiates & Alumni

This year we will be starting a new tradition with our new initiates and alumni! The **First Annual Alumni & New Initiate Dinner** will be held at Barry Tlach's Seed Shed on September 16th! The purpose of this new event is to expose the new members to the vast network of alumni that are currently active in the agricultural industry. The menu for the dinner will include meat from the Reserve Grand Champion 4-H Market Steer at the Iowa State Fair! All alumni are welcome to attend. Contact Barry Tlach or Gavin Meyer to RSVP and get more information on address and time. We hope to see you there!
