

## Recruitment Process

Our recruitment process has evolved into a year round process that involves many hours of calling and sifting through potential recruits. In this day and age, we are looking at between 100-150 potential new members at a time. We take alumni recommendations very seriously and appreciate them and use this as a strong way to sort our candidates as well as to get new names. If you have any high school juniors or seniors or know of any Junior College Students that are considering Iowa State and would be a great recruit for our house, contact the recruitment chair or go to our website and fill out an alumni recommendation by clicking [HERE](#).

## Recruitment Guidelines

1. 3.0 High School GPA minimum
2. 20 ACT Score minimum
3. High involvement rate in high school activities
4. Interest in agricultural activities
5. Level of community involvement
6. Leadership potential
7. Major in the College of Ag & Life Sciences and Ag Engineering

All men pursuing an undergraduate or post-graduate degree in agriculture, food, fiber, life sciences, natural resources, forestry, environmental or related agricultural fields, as well as men intending to pursue a career in these fields, are eligible for membership.

## Recommendations

We check our website regularly but we appreciate if you get your recommendations in as early as possible as this the best way for us to get in contact with them. This is the best way for us to meet the potential members and see if they are a good fit for our chapter.

Having legacy in AGR or Eta Chapter doesn't by any means they are automatically accepted as they are held to the same standards as every other potential recruit. We recruit on the quality of men regardless of their legacy status.

Please help us in recruiting the future of Eta Chapter by referring the highest quality men possible. We cherish our alumni support in our recruiting effort and hope to keep utilizing you in the future. Please let us know if you have any questions about the process and keep those recommendations coming!
