

Fall Academic Results

Once again this year we had our Dean's Team Meal at a local restaurant. Members that were eligible to attend received a GPA of 3.5 or higher. These members were also on Iowa State's Dean's List. There were thirty brothers in attendance this spring. Eta also holds a scholarship meal for members who achieved a GPA at or above the house goal. A goal of 3.4 was set for the fall 2012 semester. All members that met the house goal also made the Dean's List. For fall 2012 semester, AGR ranked 3rd among the fraternities with the highest GPA's. Please join me and the active chapter in congratulating these brothers for their hard work towards their academics.
