### Mike Nissly Update

#### Mike Nissly Update

As you know, Mike Nissly is very active with ETA chapter and plays an integral role for many years as Treasurer on our Alumni Board. Mike was also instrumental in helping to bring the 2nd Century campaign to fruition. As Mike is an integral part of our success, we wanted to provide you the following details on a bike accident Mike was involved in.

On Sunday May 27th, Mike was riding his bike with family and friends and was involved in a freak bicycle accident. He hit his brakes too hard and flew off his bike hitting his head on a tree. He was immediately life flighted from Ten Mile Lake to North Memorial Hospital in Minneapolis where he underwent a 5 hour surgery to repair a fracture on his C7 and T1 vertebrae. His spinal cord was also compressed during the accident which has left him currently paralyzed from the chest down. As you know, Mike

is a glass half-full guy and while he is tired, he is optimistic for his recovery. He will be transported to Colorado in the near future where he will begin months of intensive rehabilitation.

As Mike progresses, we will continue to provide updates. Mike and his family are very appreciative of the calls, comments, and most importantly the prayers.

Mike's family has started a GoFundMe page to cover unforeseen medical and travel costs.
