AGR Scholarship Recipients

Each year, the Eta Educational Foundation coordinates the selection and distribution of approximately \$100,000 of scholarships and grants to undergraduate members of Eta Chapter through collaboration with the ISU Foundation, the College of Agriculture and Life Sciences, the Iowa 4-H Foundation, the National AGR Foundation, and the Eta Educational Foundation, itself. This is made possible because of the ongoing generosity and support from Eta Chapter Alumni to provide support for collegiate members and encouragement for academic and leadership achievement.

Varieties 2018: A Tripp to Remember

Our pairing, which consisted of the Men of Sigma Phi Epsilon, and the Women of Chi Omega and Sigma Kappa, was able to make it to finals with this emotional story and ended up with a 2nd place finish. However, not everyone performed on stage. Since October of last year, the members of Varieties Central have been busy with many different behind the scenes tasks to make sure the show is a success. Alpha Gamma Rho also had three hard-working Chairpersons that collaborated with the other Houses' Chairs that helped write the script, choreograph the dancing and acting, make the set, and various other tasks to ensure success of the group.

AGR Tri-Chairs: Caleb Lichty, Jake Smith, and Austin Janssen.

AGRs on Varieties Central: Grant Heineman, Matt Morgan, and Grant McMillan.
